RE: Docket No. 98N-1265

Dear People:

The MOU in its present form, as well as the Compounding Section 503A of the Modernization Act, severely restricts the rights of physicians and patients to obtain healthcare products from the provider of their choice, and infringes on the rights of compounding pharmacists to serve the public's medical needs.

The compounded estrogens are the only medications that has helped me. Please don't take that away from me.

Respectfully Yours,

Marguerite C. Luthe
